

BULK PROGRAM for Surgical Disposables

Would you like to *reduce costs* and *improve efficiency* in your facility?

OASIS is pleased to announce the *Bulk Program* for surgical disposables.

BOXED PRODUCT

BULK PRODUCT

STORAGE SPACE

THE FOLLOWING OASIS SURGICAL PRODUCTS ARE NOW OFFERED IN A *COST-EFFECTIVE AND CONVENIENT* BULK PROGRAM:

- Needles, Cannulas and Cystotomes
- Premier Edge® Knives
- Collagen Rings
- Collagen Scleral Shields
- Visco Shield® Topical

PRODUCTS ARE SUPPLIED:

- Sterile
- Bulk in plastic bags; minimum quantity dependent on the product

BENEFITS:

- Cost effective – reduced price per unit
- Saves time – no need to open boxes and put back on shelf
- Less waste disposal – boxes and other packaging materials are eliminated
- Requires less storage space

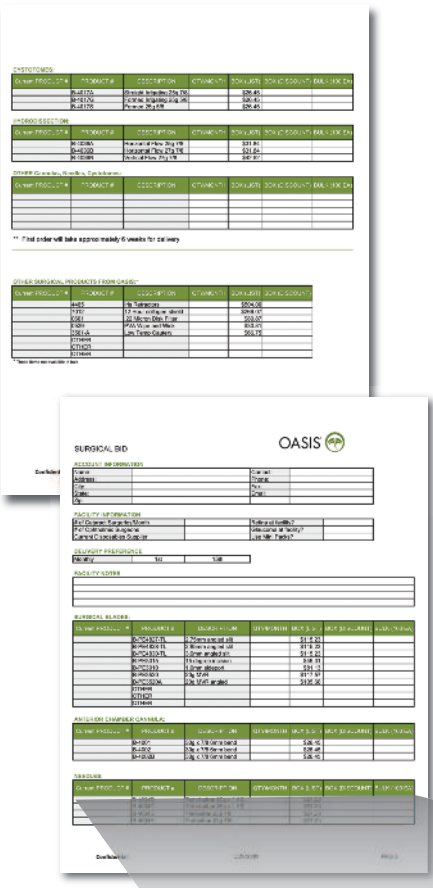

CONVENIENCE: automatic monthly deliveries are available

HOW THE BULK PROGRAM WORKS

- ✓ Facility requests Bulk Program information
- ✓ A Surgical Bid form is sent to the facility
- ✓ Bid form is completed by the facility and faxed back to OASIS
- ✓ Within 72 hours a quote is sent to the facility
- ✓ Once the quote is accepted by the facility, they will be added to the bulk program customer list
- ✓ Bulk order will be put into the system
- ✓ Facility will be notified of a delivery date

Facility has the option to choose Automatic Monthly Delivery

Please allow 4 to 6 weeks for the first delivery.
